

TARA GREENBLATT

DRUMTARA@VERIZON.NET

EDUCATION:

1990-1994, Boston, MA.

Emerson College,

- Massachusetts teacher's certification in drama as education.
- BS in drama as education
- Graduated in 1994 and was issued teachers certification same year.

WORK EXPERIENCE:

Summer of 2006, Manchester, NH.

Drumming Specialist –Camp Connect

Facilitated expressive hand drumming sessions with small groups of 6 to 7 campers each. Each camper lead a rhythm that the others copied, learned call and response songs, and made up their own beats. *Camp Connect is a day camp for kids on the Autism spectrum who are high functioning. The camp's focus is to provide fun and engaging summer camp activities while helping the campers build self-regulating skills and navigate social interactions appropriately by guiding the campers through their natural social experiences and using hands-on role-plays and drama activities. For recommendation please contact Jocelyn Lister at jlister@comcast.net

2005 - 2006, Brookline, NH.

One on One in-home Autism Home-School Program

Provided direct teaching for a high functioning five-year- old child on the spectrum. Some programs included: imbedded trials, discrete trials, 'Floor Time', RDI (Relationship Development Skills, sensory integration and 'Handwriting Without Tears'. For recommendation please feel free to email child's mother, Cathlin at Cdaley1205@charter.net

2003 - 2004, Amherst, NH.

Early Intervention ABA Support, RSEC

Received training in ABA for E.I., and facilitated ABA programs for children in their homes and at Sunrise Daycare Center-formerly affiliated with RSEC. Feel free to call Judy Koch or Jacqueline Corville for recommendation at (603) 886-8500.

2003 - 2004, Needham, MA.

One on One in-home Autism Therapy Program

Received training in and applied various cutting edge therapies such as: 'Sonrise', and 'Floor Time', both child centered approaches to interrelating, focusing on the child's organic mode of play to draw them out socially, and teach how to appropriately interact. Also applied: Theory of Mind, Social Stories, and other visual strategies.
